

2017 Jordan Football Sponsorship

As the 2017-18 football season approaches our Beetdiggers have been working hard to bring another exciting year of Jordan Football to the Sandy community. Over the years we have had a strong program that has experienced great success and we look forward to an amazing year!

Funding for our football program is very limited, so we depend on our player families, fundraisers and local businesses for the resources we need each year to field competitive teams with safety as our top priority. This year we are offering player sponsorships to raise the funds we need to have another successful year this year.

With your partnership, our program will make a significant difference in the lives of student athletes across our Freshmen, and Varsity teams and will be used to provide necessary training supplies, attendance to SUU summer Camp, protective equipment such as Shoulder Pads & Helmets, Game & Practice Uniforms, transportation to away games, maintaining the stadium and weight room and team dinners.

Yes, I will sponsor a Jordan High Football player – select level of sponsorship:
